

Headteacher: Miss N Sirett

7th September 2022

Dear Parents and Carers

The children have made a great start to the new term. They have come into school ready to work and are already working hard and enjoying their learning. Well done to year 3, who have settled quickly into their new school. The children look very smart in their school uniform. We will aim to offer a second-hand uniform sale at regular points through the year, so please continue to send in any donations of good quality uniform.

Start of the school day

Unfortunately, the gate from Oakwood will not be open from now on. The point of access onto the playground will be the side gate by the cycle shed. The gate will be open from 8.35am and the children can come straight to their classes. The bagel bar will also be open by the hall offering bagels with butter or jam. From next week, please leave your child at the school gate to encourage them to come into school independently. Parents and carers must not enter the school building.

Meet the teacher

I apologise that I did not send a reminder out about these sessions before term started. Therefore, we have moved these sessions to next week. I am sorry for any confusion. Sessions will be held for years 4, 5 and 6 in the main hall commencing at 3.30pm:

Monday 12th September - year 4
Tuesday 13th September - year 5
Thursday 15th September - year 6

It will be a short session where you can meet the year group team and find out more about what the children will be learning this term and how to support your child.

Term dates

The term dates for the year are attached to this letter. They can also be found on the website. Parent consultations this term will be on Friday 21st October which is a staff training day.

Yours sincerely

N Sirett
Headteacher
