Dear Parents/Carers

Parents/Carers Q&A Session – Tuesday, 13th June, 2pm - 3pm
Re: Year 5 PSHE and Science Lessons

Having received a number of enquiries from parents/carers regarding the above-mentioned lessons, we thought the best way forward would be to hold a parent/carer session prior to the topic being discussed with the children.

We would therefore like to invite you to come along to the school on Tuesday, 13th June from 2pm until 3pm so that we can a) explain this aspect of the curriculum and b) give you the opportunity to ask any questions. We hope this will help to reassure you of the content of these lessons.

As stated in our letter of yesterday, the topics we will be covering with the children include:-

- Male and female body parts
- Puberty including periods, wet dreams, erections and masturbation and other body changes
- Feelings and emotions linked to puberty
- Hygiene
- Gender identity and sexual orientation

Please complete and return the reply slip to let us know if you will be able to attend.

Kind regards

Miss Sutcliffe
Head of Year 5
