

Headteacher: Mrs M Garnham

31st October 2023

Dear Parents/Carers

YEAR 3 DESIGN & TECHNOLOGY TOPIC AUTUMN 2023: CASTLES

As part of the above-mentioned topic this term, Year 3's will be making castles. We would be grateful if you could provide the materials for your child to use as follows:-

1. Thin cardboard, eg cereal boxes or frozen food boxes;
2. Kitchen roll tubes or Pringles tubes (no toilet roll tubes though please).

We will need these by Friday, 10th November 2023.

Thank you for supporting your child's learning journey.

Kind regards,

Year 3 Team
